

## Global Standard in Financial Engineering

Please see below Exam Schedule for the January 2016 CQF Programme.

There will be no exam for Module 1. Instead, you will be presented with a set of questions to work on in your own time. These do not need to be submitted and you will not be graded on this. Solutions will be provided.

Exams will be issued for Module 2-5, following the last lecture in that module. Module 6 will comprise of a project piece.

Delegates will have 2 weeks to complete each exam. Exams are open book. Please directly upload exams onto your CQF portal for marking:

**Final Optional Exam** – Saturday 6<sup>th</sup> August 2016

You will be invited to register for this later in the year. The form will include a list of cities for you to pick a preferred location in which to sit the exam. We do try to find exam centre locations to suit everyone.

### **Extensions:**

Delegates may request up to 2 extensions during the course of the program (one extension per level) and only one extension per exam. These extensions may only be used for modular exams.

**To request an extension, please log onto your online portal before** the exam deadline. These extensions are for 2 weeks:

- Learning Resources
- Exam
- Extensions and Deferrals

### **Failure to meet deadlines:**

- Delegates who fail to hand in exams by the given deadline without requesting an extension will be automatically deferred to the next program.
- You will not be able to request extensions after the deadline on the portal.
- Delegates with extensions, who fail to submit their exams by the extension deadline, will be automatically deferred to the next program.
